Cool Chicks

Dear Virgin Territory,

Your July '14 issue had some sweet girls in it. Mae, your centerfold, is so cute and young-looking and sexy. I like the bra and panties she has with the hearts on them. So sweet. Mae has a nice student body that I like to study. Her tits are cute. She has a nice ass, and that 18-year-old pussy can sure take a dick. Mae is cool.

Next I like Lexi. When I saw her first pics on page 72 I was like, damn I want to know what this girl has up her skirt. White cotton panties. And under that is her pussy. Lexi fully nude is wonderful. I like her tits and her ass as well. I bet her blow jobs are awesome, plus she swallows. She's a cutie.

Finally, Gina. She is a knock-out. Starting out in her pictorial she's hardly wearing anything! Turn the page and she's pulling her panties to the side to show her special treasure. A pussy she takes care of by cleaning and showering. She has a great body as well. Thank to these three lovely women.—J.K., Green Bay, Wisconsin

Dear J.K.,

Thanks for writing in. If you'd like to see more of Mae you can check her out in the DVDs Glazed Teens and Flat & Fucked 6. Gina can be seen in Backdoor Brats and After School Slut Club 3. All DVDs are available for order on page nine.

Foxy Foxy

Dear Virgin Territory,

Your Back to School issue is always the best one of the year. The 2014 issue was not exception. My favorite girl is Foxy. She is so fuckin' cute. Russian women are always so hot. Foxy has a sweet, fresh face and a sweet, fresh pussy. I like her freckles and her eyes, too. Just like some women have apprehension over seeing a guy's cock for the first time, men have that same feeling right before seeing a girl's pussy for the first time. You wonder if it will be clean,

shaved, hairy, if it will taste good and be pretty. Well, Foxy has the type of pussy that would have me drooling the second I saw it. That is the kind

of pussy you want to see when you first pull a girl's panties down—a Foxy cunt! I would dive tongue-first into that slit of hers. Her asshole also looks primed for a tongue bath. Can't wait to see more of this babe.—R.S., New Haven, Connecticut

Dear R.S.,

Don't worry. You will see more of Foxy soon! Log on to 18eighteen.com if you'd like to see her hardcore scenes.

Meaty Slits

Dear Virgin Territory,

I absolutely adored the Aug. '14 issue of your venerable publication. As usual your girlies were totally lovely! I particularly adored the glorious Ellie because she is the complete spitting image of one of my favorite Hollywood actresses, Reece Witherspoon. It was just surreal to see what such a famous celebrity would look like with no clothes on and completely naked! She is just perfect with a tidy, little fanny, gorgeous newly blossomed breasts, a tiny star-shaped booty hole and a lovely firm pair of teenage buttocks. My poor, aching, overworked penis has been repeatedly erupting like a volcano, spurting out boiling hot, thick, creamy jizz out of awe!

I am completely fascinated by the female vulva and the amazing variations in its beautiful appearance, particularly in 18-year-olds where it has

so recently ripened to its full glory and perfection. Like most naughty boys, when a new girl appears in the magazine, before she slips out of her knickers, I always love to imagine what her cute, little cunny is going to look like. Most of your sweet, young ladies have a neat pair of dainty, tidy labial petals...but sometimes there can be a wonderful surprise.

At first sight the gorgeous Rebek looked like any other petite and pretty girl, but the huge bulge in the gusset of her panties was an early indication of her fantastic secret! When she slipped them off she laid bare the most magnificent and colossal pair of thick, ripe, meaty labial flanges I have ever seen! I was completely bewitched by their unique size and beauty...and sprouting from such a tiny girl! Perhaps you can publish an enlargement of the picture on page 82 of the ruckled perfection of her huge, meaty petals pulled wide open to reveal the hidden beauty of her lady hole. Please, please publish girls with "pouty outies" as often as you can. It is a sensational treat!

Finally, I just adored the picture of Jessica Doltin on page 57. Photographed outside on a glorious hot summer's evening, a stunning girl with her legs totally spread and impaled completely, her sweet labia stretched to their limits around a gigantic man monster. Her gorgeous face says absolutely everything of

what she is feeling. A wonderful combination of overwhelming relief, pleasure and sexual satisfaction. It is flashes of perfection like this that makes your wonderful teenage magazine such a sensation.-J.L., via email

Dear J.L.,

Unfortunately we don't have any meaty pussies in this issue, but the Dec. '13 issue is packed with them. We even have a Meaty Mounds special dedicated to "outies." Order a copy on page 19.

Our Best Threesome

Dear Virgin Territory,

The pictorial with Ava and Heather in your Oct. '14 issue is one of the best hardcore scenes I've ever seen, and by far the best three-way you've ever published. Both girls are stunning. Ava wins you over with her red hair and girl-next-door sweetness. Heather is the devilish, pale-skinned seductress who quenches your thirst for a naughty, little slut. Together they make the ultimate teen fantasy. I love the set-up of Ava being caught spying on Heather and her boyfriend, and then pulled into a three-way. I could feel my balls grow heavier with each photo of the girls sucking and fucking. I found it so hot to see Ava's pussy cream on that guy's cock. All too often in porn the sex looks so unlubricated. I was also very excited to see Ava's

This scene of Ava and Heather is the three-way of all three-ways.

finger in Heather's butt and hoped that there would be some anal, especially since Heather seems like the kind of girl who'd do it. There wasn't any anal, but maybe next time! My only complaint was that the cum shot was too small. We need to see both of those pretty faces covered in jizz up-close and personal! Still, it was a great layout. Thanks again for the hot teens.—G.H., via email

Dear G.H.,

Pale Princess

Dear Virgin Territory,

I like girls who look like Alaina and Heather of your Oct. '14 issue—pale with dark hair. Heather's thick thatch was a nice bonus, too. Since Alaina is new to your magazine I'll talk about her. This little flat-tie is totally adorable with her big, brown doe eyes and doll-like facial features. She is a great reminder of why I always read your magazine. You have the youngest and best fresh-faced babes. The only thing that made me sad was that there were no photos of her spread pussy. The only thing we can see is her fingers jammed in there. Although at least we did get to see her asshole. Please run Alaina again, and when you do, include lots of unobstructed pussy shots.—W.B., Homestead, Florida

Dear W.B.,

Sorry for the lack of pussy shots in her pictorial. Here's a bonus photo of Alaina's spread cunny!

Teen Buttholes

Dear Virgin Territory,

I want to fuck Lila in the ass so bad. She is just begging for it with the way she spreads her asscheeks. The photo on page 83 is what I'm talking about. She is gripping her buttcheeks and showing off her starfish like she wants a cock in it

Alaina has a pretty pussy that should always be on display.

super bad. I came so hard to this picture. I love to lick and sniff and fuck assholes, and teens have the best ones. Every pictorial should have a photo like this one, with a girl spreading her cheeks as wide as they will go. My second favorite photo is the one on the bottom of page 79. Although it's not as spread as the photo on page 83, it's still a good butthole shot. More buttholes, please!—R.L., via email

Dear R.L.,

You'll be happy to know that Lila will be featured in an anal pictorial soon!

It looks like both of Lila's holes are primed for a fucking!

You always remember your first—especially when it's on-camera!

Although we ran a hardcore layout of Alexis in the April '13 issue, this was actually the first time she fucked on-camera. She was adorably nervous but made it through, and with such a huge cock, too! "When I saw his dick I totally freaked out," she told us afterwards. "It was the biggest one I'd ever seen. I didn't know if I was going to be able to handle it." But she did!

BRAT CHAT

HEIGHT: 5'5" **WEIGHT:** 120 lbs.
BRA SIZE: 34C **BORN:** Nov. 3
LIVES: Tampa, Florida

Alexis went from tuggin' to fuckin'!

"At first I wasn't sure if I was going to do hardcore, so I agreed to just do that tug job with Juan. [Sidenote: See it in the Nov. '12 issue.] But I got really turned on from that and started to feel bold. I was like, okay, I can do this! After that, having sex on-camera seemed like it'd be fun. And it was the perfect opportunity to get my first facial. Once I got over my nerves I was able to really enjoy it."

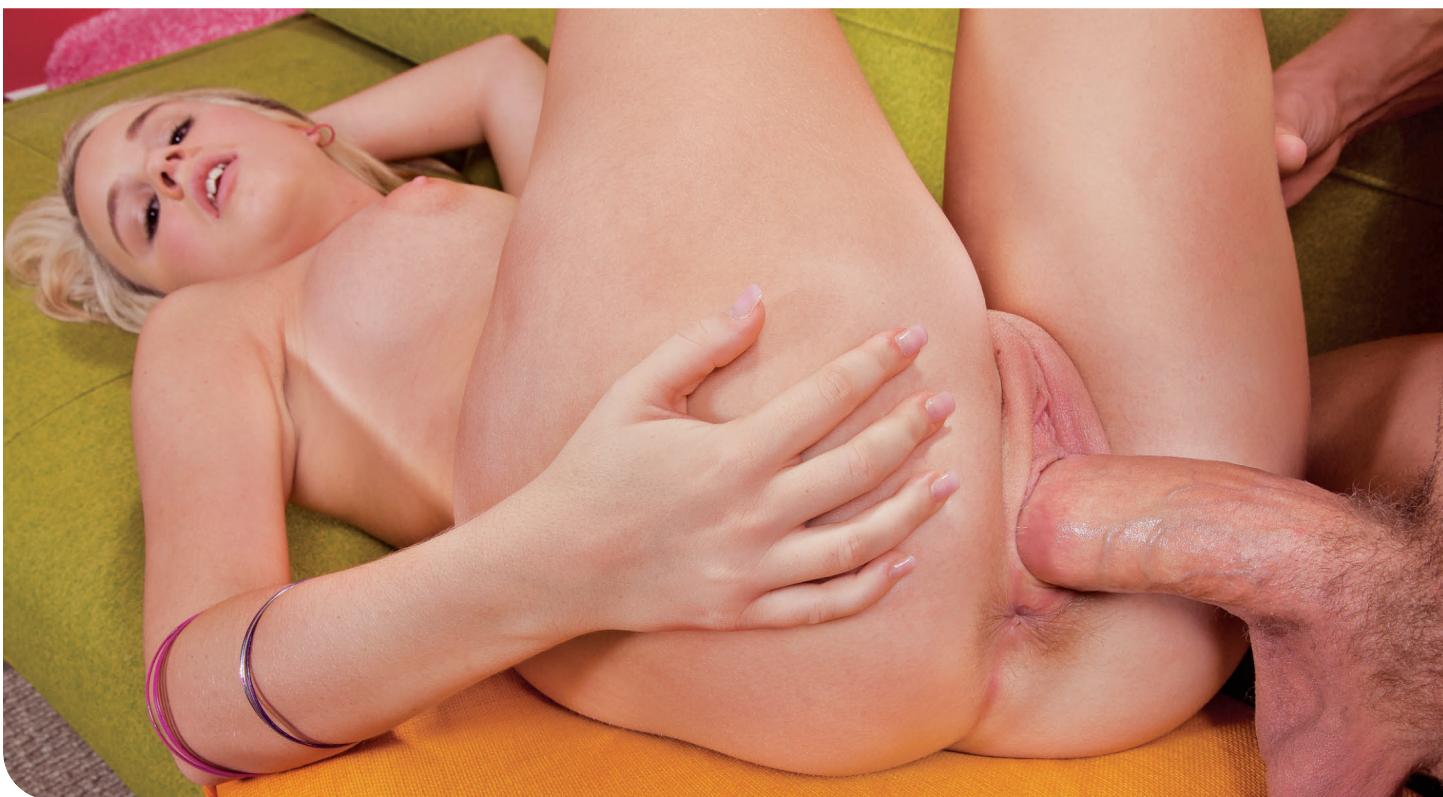

How did it feel to experience a cock that big for the first time?

"It was great. I wouldn't consider myself a size queen, but after that I knew how awesome big cocks feel. He had to start off slow to get me used to it, but then once I was relaxed I was loving how much his cock stretched me out and reached deep inside me."

TARA

CHERRY
BABE

You'll be happy to meet Tara. She's a very special find for us.

As we were going through Tara's photos, we noticed something different about her. Her pussyhole looked much smaller than the other ones we've seen—and we see a lot of tiny teen twats! Upon closer inspection it appeared that she still had her hymen. A real virgin! We double-checked via a Russian translator, and she confirmed: "Yes, I am a virgin. I didn't think you'd be able to tell!"

HEIGHT: 5'4" **WEIGHT:** 110 lbs.
BRA SIZE: 32A **BORN:** Aug. 5
LIVES: Riga, Latvia

We're pussy experts. Of course we can tell!

Tara was a little embarrassed once we discovered her secret, but we assured her that being a virgin was a good thing. "It's not something I really advertise," she said. "All my friends have had sex, so I feel a little left out still being a virgin."

How did you end up posing?

"Even though I'm a virgin I'm a bit of a free spirit. It seemed like something fun and exciting to do. People who know me would not be surprised to find out that I did something like this. I just wanted to see what it was like to be a little bit of a bad girl, and it was fun!"

**The trip had been
a total nightmare.
When the lights
flashed behind her
and she got pulled over, it
looked as if things couldn't
possibly get any worse. Little
did she know
that instead of
copping a plea,
she'd end up...**

COPPING A FUCK

By Joe Monks
Illustration by Otis Sweat

Emily pulled out of the campus parking lot, tires squealing as she sped through a yellow light. She flipped on the radio, did a rolling stop through the STOP sign at Walnut Dr., and shot through the intersection.

She was pissed. Doug, her boyfriend—make that ex-boyfriend—had been an absolute asshole to her all night. First, he'd changed their plans without even asking her. She'd borrowed her Mom's car and snuck up here so the two of them could go at it all night in his dorm room without the risk of either of their parents barging in—which was always a possibility back at home. But no, he'd wanted to go to some basketball game first, and hang out with his friends.

That part hadn't been all bad, though. Emily had been dripping, watching sweaty guys running up and down the court in their shorts and tank tops, and there were several cuties on both sides to pay attention to. Plus, basketball players ran a lot, so they tended to have nice butts. She'd spent halftime in the Women's rest room fantasizing about Number 24 eating her pussy. By the time they were headed back to Doug's room, Emily was rarin' to go.

But then, Doug had invited the guys in, and they'd pounded beers and tried to get her to play quarters. It

had taken hours before two of them finally staggered out. As if that wasn't bad enough, Doug had actually tried to get her to screw the two of them—him and his friend, whose name she'd never heard till tonight!

That had been the last straw. She'd grabbed her backpack and stormed out, Doug calling after her, while his friend laughed and teased him about being pussy-whipped.

"Not with this pussy," she growled, racing around a bend. "Not any more."

The song changed to some Top 40 crap, and she hit SCAN, unable to find anything else. A horn blared, and Emily thought she might have just snuck under a red light.

She decided she needed to cool off, and pulled into the park, even though the CLOSED sign was up. Nobody paid attention to it, she knew from experience. The whole town knew that kids came up here to drink, party and get laid. It was the absolutely perfect place...assuming you had somebody to get it on with. Nothing she could do about that though.

She was practically to the camp-ground when lights flashed behind her, and she realized that she was being pulled over.

"Fuck!" she cried, banging her fist on the steering wheel. If she got a ticket, her mom would never let her borrow the car again. Not to mention, she'd only turned 18 three months ago, and was still on probation. This couldn't be happening, it just couldn't!

She nosed the car into a turn off and put it in park, waiting. It was dark out, and when she killed the headlights, it felt like she'd pulled over in a tunnel. Thirty seconds went by. Then a minute. She started to squirm. She wished she'd brought a change of clothes with her. She could smell the musky tang of her panties in the enclosed space.

Emily couldn't get a good look at

the cop as he swung out of his cruiser. He'd left his headlights on and they were blinding in her rear view. Probably taping the whole thing. She rolled down the window slowly so he could see her hands as she did so. She'd seen the TV shows before, she knew how this worked.

"License and registration, please," he said, looming outside the car. Emily smiled up at him, nervous enough as she was. He was tall, at least six two, with a hard jaw and steely eyes. Emily couldn't help herself as she fumbled through the glove box for her mom's paperwork. The cop was hot.

She found the registration and insurance cards and turned back, trying to avoid staring at his zipper. She couldn't really help it, though. His fly was level with her face, and it wasn't like she could do any-

"No!" she said. "I, I'm sorry. I just broke up with my boyfriend and...and I guess I wasn't paying attention," she admitted, hanging her head. He grunted, shining his flashlight around the inside of the car. Passenger seat. Back seat. Open glove box. Up her legs. Over her lap. Up the front of her shirt.

Please, she begged, hoping a guardian angel might be listening. Please, let him stare at my tits. Take his mind off his ticket book...

"Sure you don't wanna breathalyze me?" she rallied, looking up at him, making eye contact. "If you think I've been drinking, I just open my mouth and blow, right?"

Emily closed her eyes, opened her mouth, hoped he could see all the way down her throat. The top button of her blouse was open, she'd gotten at least that much done while waiting for him to get out of the car.

"Ma'am," he said, cutting off her oral display. "This is serious."

"So am I," she said, trying to sound sexy. "You guys always let my

girlfriends off with a warning and a blowie," she went on, trying to get him to go along with it. "Come on, admit it. You want to know if I spit or swallow, don't you?"

Emily was getting desperate now. Truth was, she'd never known anyone to get away with a warning around the college. Even Marci, who had a rockin' set of double Ds had gotten a \$125 fine and three points on her license just last month.

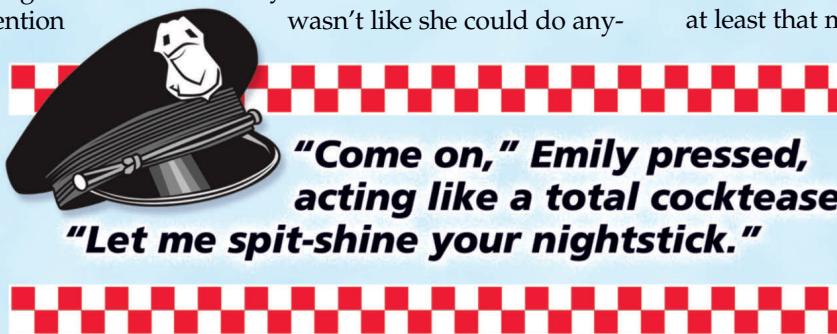

"Come on," Emily pressed, acting like a total cocktease. "Let me spit-shine your nightstick."

He huffed out a heavy sigh and turned away.

"Wait here," he said, carrying her license with him back to the cruiser.

"Nice going, dumb ass!" she chided herself, humiliated at how badly she'd failed. Okay, so she didn't have Marci's tits, but her boobies were finally starting to grow. She had a

Continued on page 44

thing about it. It did give her an idea, though, as she waited for him to match up her license with what he'd gotten when he ran the car's plates.

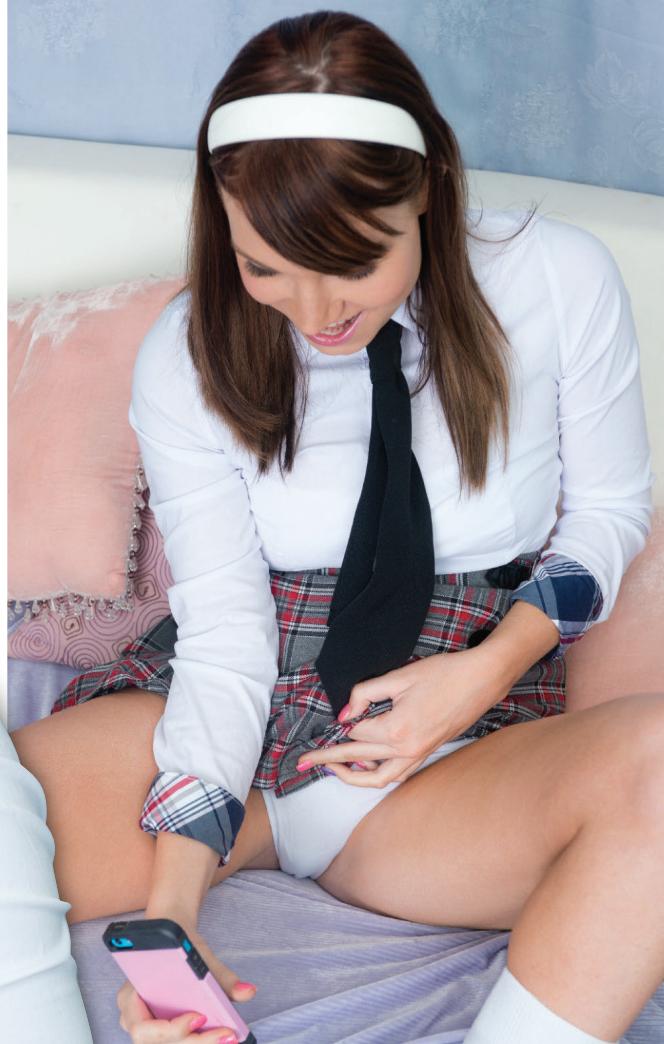

"Do you know why I pulled you over, ma'am?" he asked. Ma'am. Wow. He didn't look like he was that much older than she was. Late twenties, maybe? Thirty, tops. She took a breath, and gave it her best shot.

"Because I've got a cute ass?" she tried, flashing him her best smile. His expression didn't change.

"Ma'am?"

"Be—because that's not a Breathalyzer in your pants and you're happy to see me?" she said, trying to stick her chest out a little. Shit! What was she doing wrong? This always worked in the movies!

"You rolled through two stop signs, blew a red light and the park is closed, Ma'am," he said, remaining stone-faced. "You haven't been drinking tonight, have you?"

If you haven't heard, Tiff Bannister is an Internet sensation.

She's known for posting scandalous pictures of herself on social networks and has more than 50,000 followers on Twitter. Ever since she shot her first hardcore video for [Naughtymag.com](#), her star has risen even higher. She has even become a meme with people taking pictures with her porn scene playing in the background. Now you can enjoy her in her first professional solo shoot.

LIVES: Miami, Florida

Tiff, how does it feel to be famous on the Internet for posting sexy selfies?

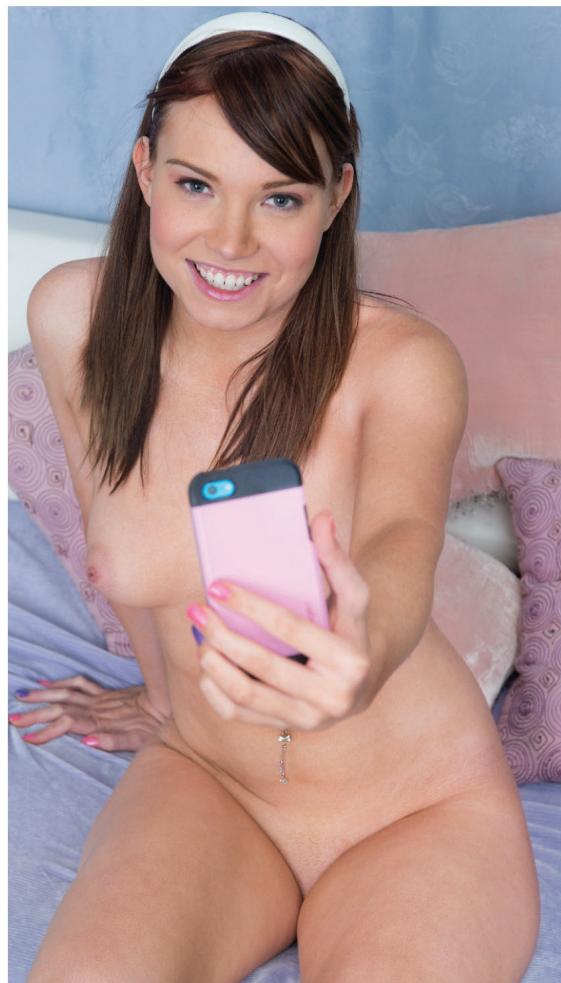

"It feels pretty cool! Now I'm sure I'll be even more famous after shooting with you guys! I have lots of fans and lots of haters too, but I don't pay any attention to negative people. I always wanted to be a model, and now that's possible after posting so many selfies of myself on the Internet. I've been doing it for a few years, and I knew something good would come of it eventually. I've even been on *Tosh.0!* Then you guys found me and flew me in. All my fans who've been asking me for nudes for years now will be so happy once they see the photos and videos I shot with you. It's been such a wild ride. I was so nervous right before I fucked on-camera, but I was excited, too. And I'm determined to get better and better at it. I want to be the best!"

How did you like fucking on-cam?

"It was kind of weird to see myself fucking on video, but overall it was a lot of fun. I can't wait to do it again. I got pounded way harder than ever before. While I was getting fucked I kept thinking of how awesome it was going to be when my fans finally see me doing hardcore. And on a side note, I've been so horny since shooting porn that I'm masturbating all the time. And I have a new obsession with taking pussy selfies. My followers seem to love that!"

KACI

PUSSY STRETCHER

Kaci likes to be stretched wide.

"I'm a tiny girl, but there's nothing I love more than feeling a fat cock or dildo stretching my pussy to maximum capacity. It's nice if a guy has length, but what I really love is a nice, thick, girthy dick."

Is there such a thing as too big?

"I'm sure, but I haven't had that problem yet. The hung guys I've been with have been normal hung, not like crazy hung. I'm sure there's a limit to what my pussy could take. But who knows, anything is possible with some lube and patience!"

perky set that filled out her B-cup bra just fine, thank you very much. She also had big, dark nipples, and knew a couple of guys who really got turned on by them. Unfortunately, officer tight-ass didn't appear to be one of them.

It seemed to take forever for officer whatshisname to return. When he did, Emily braced for the worst. She couldn't see his face in her side view mirror, but she could see he was carrying his citation book. "Wonderful..." she groaned.

He reached the driver's side door. Emily turned to look at him, about to plead for a second chance, when he shifted the citation book, revealing his open fly...and his huge, raging hard-on.

Emily's eyes bulged. Doug was okay down there, but that was about it. Officer...Marlowe, his badge read, though? This guy was fucking hung. She just sat there, gawking at his cock, until it finally registered with her: she might not get a ticket after all.

She hardly had to move. Marlowe's dick was right in her face, and the tip of his prick was brushing against her lips even before she got her mouth open. She inhaled, smelling the scent of bath soap in his pubic hair. She wrapped her hand around his meat and started working her way down his rock-hard pole.

Emily's head bobbed as she slurped on his shaft, working her free hand into his uniform pants to grab hold of his nutsac. If what she was kneading in her hand was full and he unloaded in her mouth, she thought, she was going to gag like she'd never sucked a guy off before! He had full, heavy balls, and the thought of him emptying them down her throat got her motor running like it had been when she'd first shown up at Doug's dorm.

"You sure you haven't been drink-

ing?" he said, putting his hands on the roof of the car and pumping his cock into her mouth, filling it, bulging against her cheek whenever she jacked him to catch her breath.

"Positive," she said before going back down on him. "But I think I might start, soon."

Marlowe grunted. He reached into the car and put his hand on the back of her head, pushing her down; pushing deeper into her mouth. Emily couldn't be sure—she'd never had this much dick in her hand or mouth before—but she thought she could keep up. His cockhead rubbed across the roof of her mouth, past her uvula and into the back of her throat.

Could she do it? Deep throat this

Emily ground her thighs together around her hand, desperate to cum.

guy? Suddenly, she wasn't so sure. She'd talked a good game, doing everything she could to get him in exactly this position, but still. It was tough just trying to breathe around his babymaker. Maybe she should have offered to let him fuck her.

That got her going even more. The thought of this grade-A hunk of steel filling her horny pussy made her dizzy. She wished she could haul Marlowe into the car on top of her, then spread her legs and—

Fuck it, she told herself, hiking up her skirt and working a hand into her bloomers. No reason why she shouldn't diddle herself, was there?

She stroked her clit, working her slit with her middle finger. Just touching herself dumped fresh lube into her drawers, enough so that she'd have to rinse them out in the sink when she got home. No way was she going to let her mom find her cum-stained panties in the hamper!

"Mmmmm," she groaned, feeling his balls come to rest against her chin. Spit and drool were hanging off her bottom lip, and she squeezed his balls

to hold him there for a second, enjoying the length of him filling her throat.

Mission accomplished, she thought, proud of her self. Yeah, she'd gagged some getting him down, but she hadn't had to pull him out of her mouth, not even once. She wondered how many of her friends could handle this much cock. She didn't think there'd be too many.

Spittle dripped off her chin and onto her top. She could feel it on her left tit. Damn, but sucking Marlowe off was flipping her switches. She pushed her middle finger into her box, gasping around the mouthful of cock she was swallowing. Her twat was drenched. Her finger slipped up inside her easily, and she buried it to the hilt, tickling her G-spot. Hoo-boy... wasn't going to take long, that was for sure. Fuck, for all she knew she might've gotten off just giving the cop head. The turn-on meter was red-lining all the way up around eleven, and the fact that she was giving him a blowjob in the wash of his headlights, where anyone could see? Holy shit did that feel slutty.

Emily ground her thighs together around her hand, desperate to cum. Her skirt was pushed up around her hips, her panties pushed down as far as she could get them without taking her finger out of her tunnel. She hoped there were napkins in the glove compartment—a lot of them. There was enough pussy juice on the seat that she couldn't possibly let her mom drive it to work the next morning without cleaning it up. The car smelled like she'd had an orgy in it.

Marlowe bucked, thrusting his full length against the back of her throat. Emily thought he was really getting into it. But she was wrong. Marlowe pulled out a little, enough for his bulging cockhead to dig into her tongue, a split second before he erupted in her mouth.

Emily was so close to cumming herself that she was totally taken by

**Hey, Natalie.
Cute braces!
Do you get
lots of
comments
on them?**

"Not too many. Mostly people just say that I look so young because of my braces, and they can't believe I'm actually 18. Personally, I can't wait to get them removed! I'm super into older guys, and I feel like they won't be into me because of my braces. I find myself keeping my mouth shut and being shy whenever I'm around a cute, older guy because I don't want him to see my braces. It's not cool, man! Only one more year till I get them off."

**Too bad.
We like
the way
they look.**

"I've heard other people say that. But I don't want to be cute just because of my braces! I want to be cute because of my face and my little tits and my round butt. My braces will be gone eventually, and I still want to be cute then!"

You will be! We're sure you can get lots of guys.

"I do okay. I can have sex pretty much whenever I want, which is like, every day. I don't even have to masturbate because I can just call a fuck buddy to have sex with me. And if I'm bored there's usually a guy around who will take me on a date. My sex life is pretty good. No complaints there!"

surprise. Jizz gushed into her mouth, splashed across her teeth, and spurted onto her cheek as she jerked back. A gob of spooge caught her on the nose, another on the forehead. She felt a tide of semen squirt into her hair and start running down her face.

It struck her that she might want to grab hold of Marlowe's dick before he jizzed all over the seats, but she couldn't react. Her own orgasm tore through her as she climaxed under Marlowe's shower of sperm.

Emily gave up. She felt Marlowe retreat, cum still dripping out of his flagging pole. She threw her head back and cried out, her slit clenching around her finger. Her clit was throbbing. Her knees crashed into the steering wheel as she gushed

He pulled out, firing
his second load across her back. He came all over
her ass, his wad dripping into her crack.

"Get out of the car, ma'am," he ordered. Emily, not seeing that she had a choice in the matter, did as she was told.

"Follow me," he said, leading her around to the front of the car. Emily still didn't understand.

"Hands on the hood, ma'am," he told her. "Feet apart."

Panic-stricken, Emily obeyed. Marlowe proceeded to search her...thoroughly.

"You don't have any drugs or weapons on you, do you, ma'am?" he asked. Emily shook her head. She thought she might cry.

"B-but," she stammered. "W-what did I do wrong?"

Her skirt was around her ankles before she knew it. Her hips pressed into the grill, the thrumm of the engine sending trills of excitement straight into her cunny.

Marlowe

into her bloomers, the taste of Marlowe's spunk trickling down her throat.

Hell, forget the napkins, she thought. She was going to need a roll of paper towels!

When she finished, Marlowe was nowhere to be seen. Emily reached over and popped the glove box, finding no love. No napkins, no tissues, nada. She was trying to figure out what the heck she could do when Marlowe's side light came on, bathing the whole car in intense, bright light.

What the? She wondered, checking the console. What was he doing back there? She was still hunting for something to wipe up the jizz streaming down her neck, when Marlowe got out of his car and strode back. Cream-spattered, she looked up at him as he stood by the driver's door.

lifted her shirt as far as it would go and unfastened her bra, fondling her tits. She hadn't noticed him unfasten his belt, but there it was, on the ground beside her, as he bent her over the hood and proceeded to enter her gushing pussy doggie-style.

Her pussy muscles quivered as he penetrated her, stretching to accommodate his girth. He wasn't gentle—and she liked it. Liked it a lot. The hood was warm, and her nipples were so hard they ached. She put her cheek to the hood, leaving a slimy trail of ballsauce streaking the paint.

If she thought he was big in her mouth? That was nothing. He felt big enough to make her worry about strained and pulled muscles. But what a fucking he was dishing out!

He lifted her off the hood so he could play with her boobies. Those big, strong hands felt great on her tits.

"I'm..." she began. "I'm g-gonna—"

"You sure are," he confirmed, just as she slammed back into him, bury-

ing his tool balls-deep in her twat.

Her next orgasm lit her up almost immediately. In fact, between his huge cock plowing into her and the vibrations from the car's engine, she couldn't really determine where one cum ended and the next one began. Not that she cared. Marlowe didn't feel like he'd be stopping any time soon, and that was fine by her.

"You're sure you're not hiding anything from me, right, Emily?" he asked. Well, she thought, that was an improvement. He wasn't just calling her ma'am any more.

"Uh, does it look like I'm hiding anything?" she giggled, looking back at him. He was still in cop-mode, with the serious look, despite

his dick up her box and his nut butter gooey on her flushed face.

"Never know," he said, teasing her ultra-hard nips. "Stuff I've seen?" He shook his head. "I don't know. You might need to be cavity-searched."

"Cavit—" she began, feeling his hands on her ass, his thumbs kneading the flesh around her butthole.

"Ooooohhhhhh," she moaned, enjoying the sensation. Her back arched, giving him all the access he needed. He drove into her like a jackhammer, while his thumb pushed open her back door.

She lost control again, Marlowe thumb-fucking her asshole while he banged away at her pussy. She could still taste him on her lips, feel him drying in her hair. She must look like a mess, she thought, although Marlowe didn't seem to notice. He kept pounding into her cunt, grunting as he increased his pace.

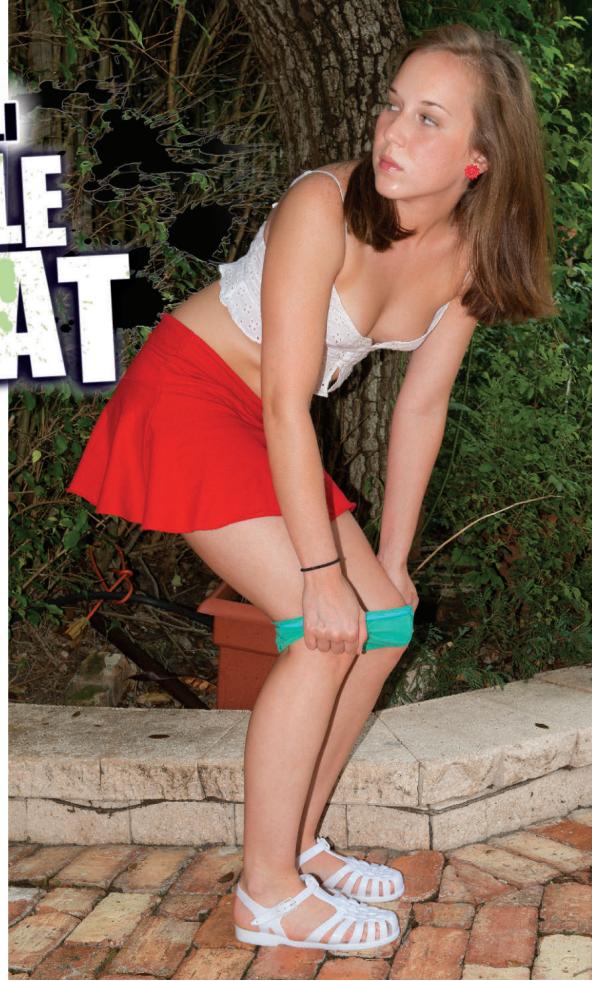

"Alright," he said. "I guess you're not concealing anything."

Just your cock, she thought, as Marlowe thrusted harder.

"That's it!" Emily begged, urging

CHARLI
TINKLE TWAT

Charli, have you ever let a guy watch you pee?

"What? Oh my god, no! I think I would be way too embarrassed. It's so strange that you asked me that though, because there have been guys who have asked if they could watch me pee. I thought they were just weird. Is that a thing? Do guys like to watch girls pee? I guess it makes sense now that I think about how eager they were to watch me pee. I mean, maybe I'd consider it if my boyfriend was really turned on by it."

Lots of guys like to watch girls pee! Has anyone ever watched you change or have sex?

"I've changed in front of boyfriends. And well, one time I changed in front of the window while my neighbor was watching. I pretended to not know, but really I was turned on by the fact that he was spying on me. One of my boyfriend's friends watched us have sex. To be honest, it was kind of my idea. A girlfriend of mine told me how she liked to have people watch her fuck, and I wanted to try it myself."

**So will you let
someone
watch you pee
next time?**

"I guess if they really want to! I have to admit that I kind of like peeing outdoors. It just feels so natural and free. I don't think I would object too much if someone were in the bushes watching me while I went. I like to be watched while I do other things, so I guess having someone peek in on me while I pee isn't really a big deal."

I don't have a boyfriend, but that is fine with me. I'm having too much fun going on dates and getting to know lots of different people. I can't imagine only being able to have sex with one guy!"

You just turned 18, right?

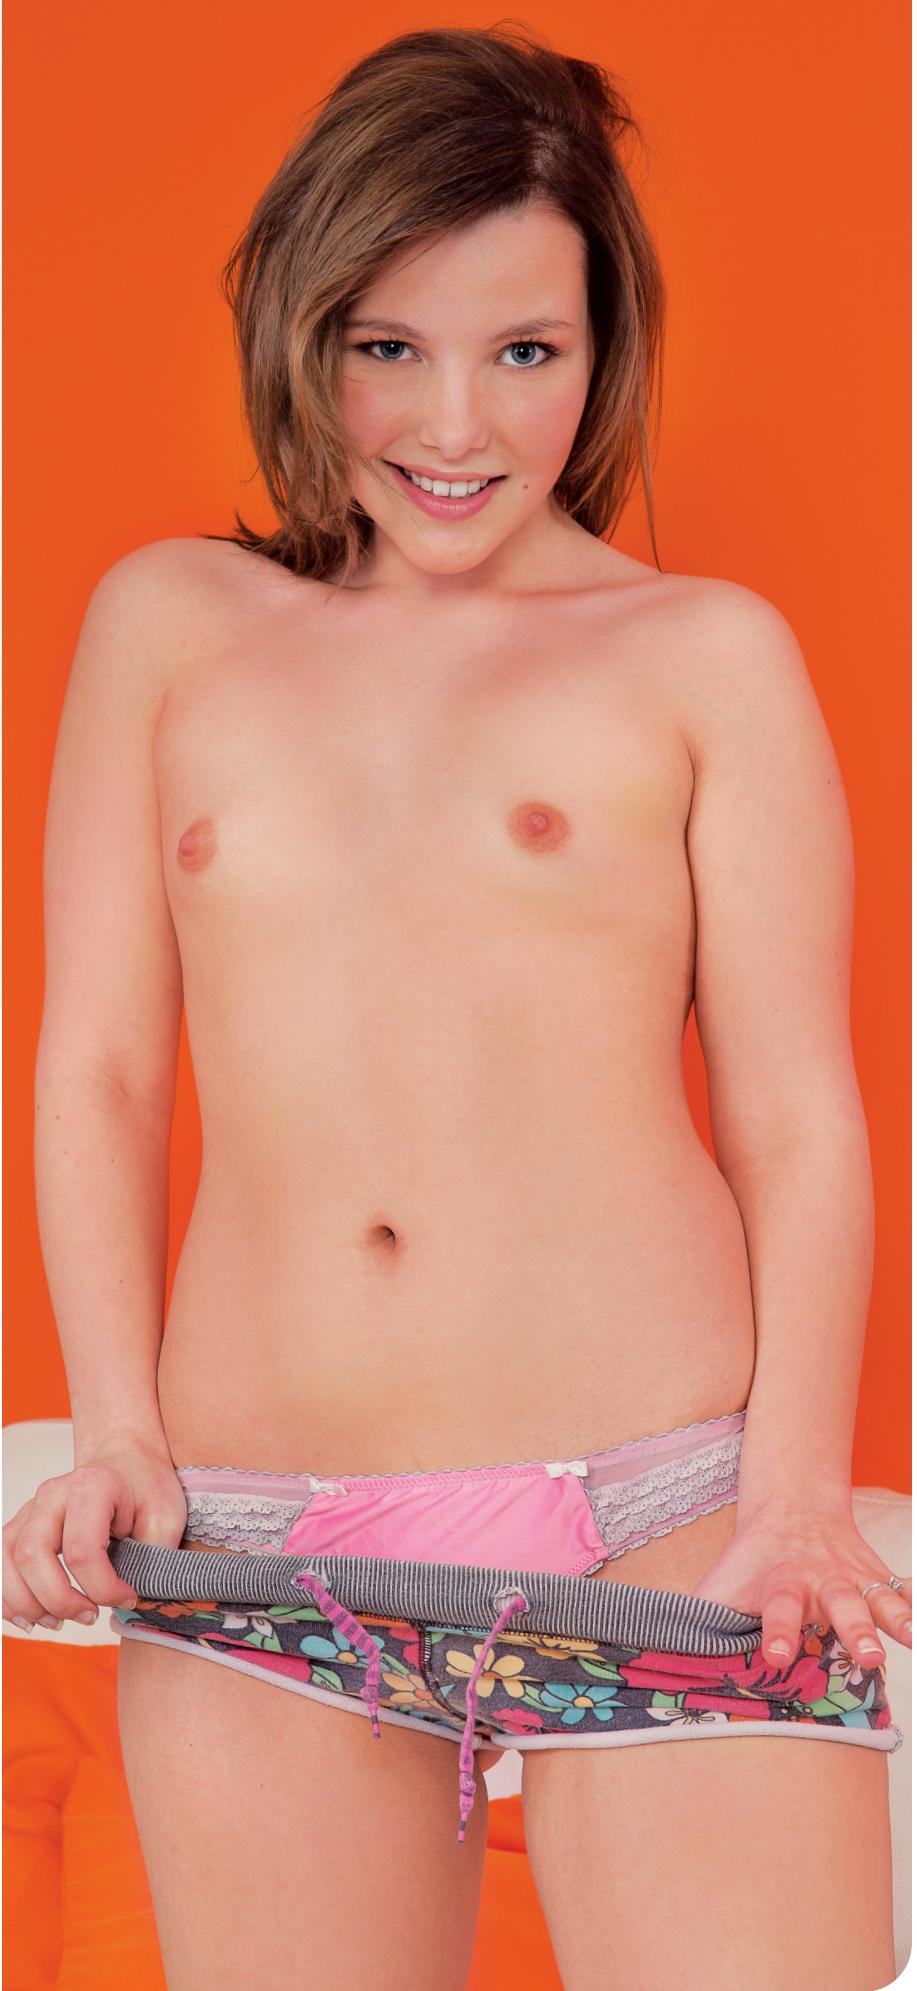

"Yes, in March. I knew that as soon as I was 18 I wanted to take nude photos. A girl-friend of mine did it and told me it was such a thrill. She was right! I just imagined that I was undressing and putting on a show for a guy I wanted to sleep with. I got so turned on doing it."

I think about all the guys who'll look at me at the club as I dance and fantasize about undressing me and shagging me. The next thing I know my clothes are off and I've got a finger buried in my cunny!"

HEIGHT: 5'2" **WEIGHT:** 110 lbs.
BRA SIZE: 32A **BORN:** April 4
LIVES: Brighton, England

Missie is just your average girl- next-door.

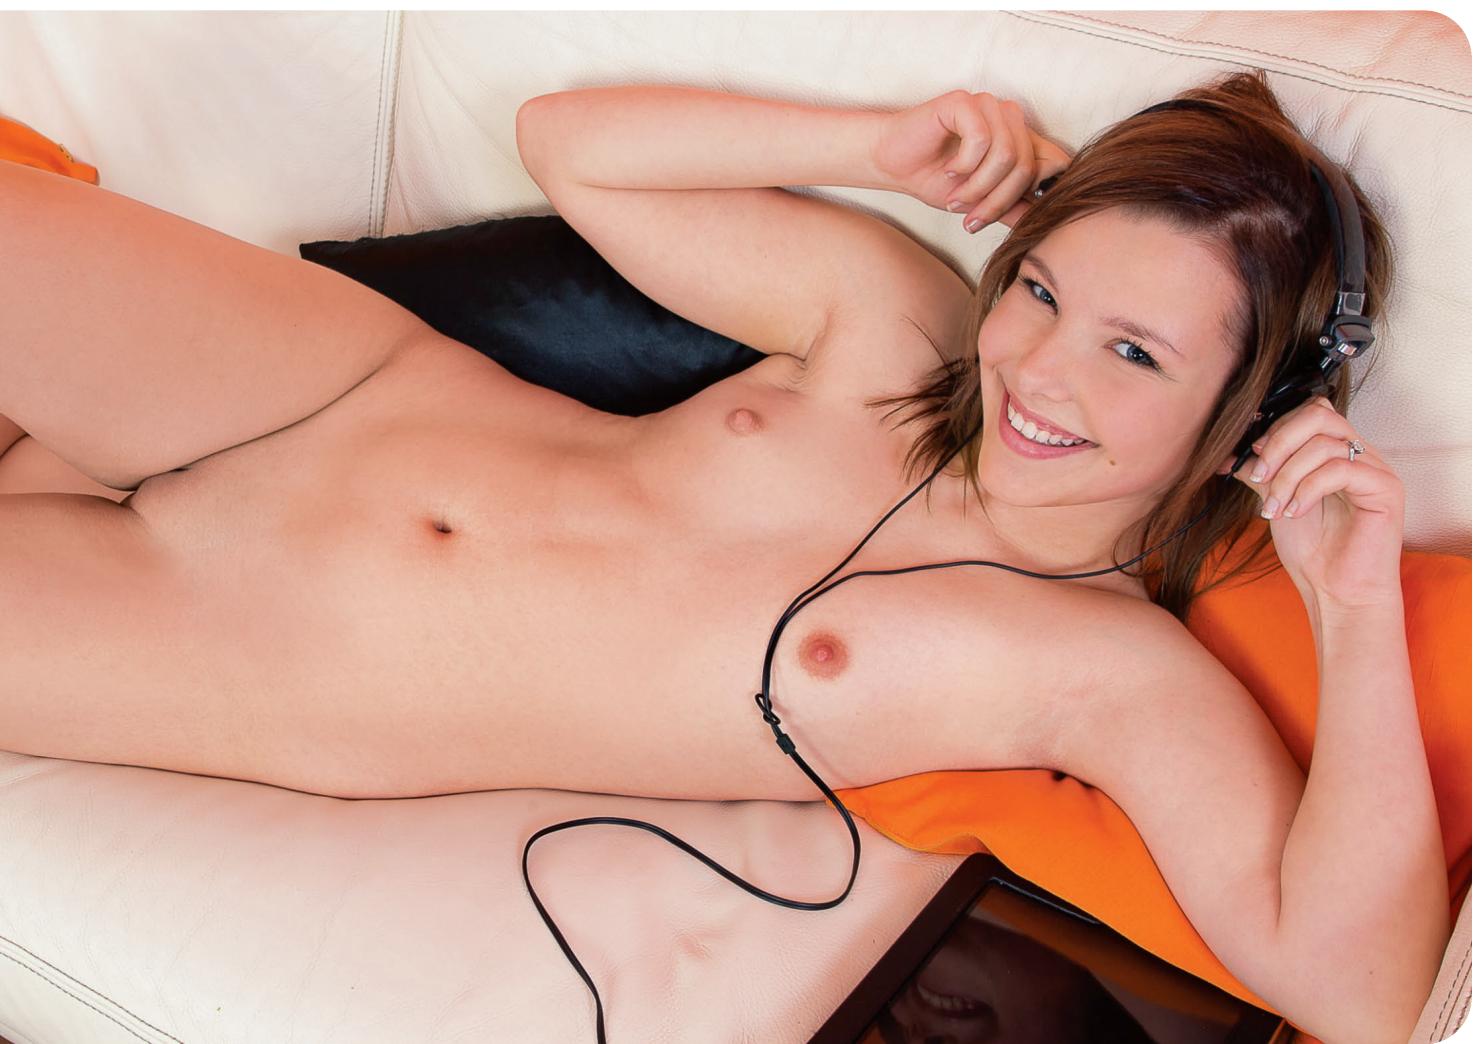

She says she prefers normal, nice guys who treat her well. "I like someone who will act like a gentleman and take me on a proper date. I like all that romantic stuff. As for looks, I don't care that much as long as they are clean and at least average-looking. He doesn't have to be gorgeous or rich, just nice and funny!" As for sex, Missie is just beginning to explore. "I'm not a virgin, but I've had quite a bit of fun with my first boyfriend. I've heard lots of sex stories from my friends though, and I feel like I need to catch up to them! Although none of them can say they've ever posed nude!"

Are you still having anal sex?

"I broke up with the guy who I was doing that with, so I haven't had it in a while. I'm sure my bum is tighter than ever now! I tried to put a little toy in there, and it was just too much. I'll need to find a new boyfriend to help me loosen it up again. For now I'm content playing with my cunny and getting it licked and fucked. The orgasms from my cunny are just as good as the ones from my arse, so I'm good for now."

COPPING A FUCK

Continued from page 64

him on. "Fuck me till you cum!"

She didn't get off with him, but it didn't matter. She was totally spent, her fuckhole practically numb from the way Marlowe had turned her inside out.

He pulled out, firing his second load across her back. He came all over her ass, his wad dripping into her crack. He was breathing hard when he rested his hands on either side of her, his prick jammed in between her cheeks. He kissed the back of her neck, and it was all she could do to keep from asking if he had anything in mind for the handcuffs.

Fortunately, Marlowe had all sorts of supplies in the cruiser, including a towel and bottles of water. Emily sat next to him in the front seat after getting cleaned up, listening to the radio.

"So, no ticket?" she said, smiling.

"Ticket? I was never going to write you a ticket," he said, smiling back. "I went off-duty three hours ago."

"You...you what?" she cried, gaping at him.

"I thought you were pulling in here because you needed help. Flat tire or something." He shrugged. "I didn't expect, well...anything like this."

"You asked me for my license and registration! You flashed your lights!"

"Just fooling around," he said sheepishly. Emily stared at him. Then she started to giggle.

"No hard feelings?" he asked. Emily leaned in, kissed him hard on the mouth. Her hand cupped his once again growing bulge.

"Well, maybe some," she said. "And, since you're off duty..."

He gestured to her car. "Follow me, Ma'am," he said, stroking her thigh.

"Ooh. Are you going to turn on the lights and sirens?"

"That might be a bit much," he said, shaking his head. "Trust me, though. We'll get there plenty fast. I have it on good authority, we won't get pulled over."

Emily got into her car, her seat squelching when she sat down. Paper towels, she reminded herself. Maybe even a three-pack.

ABBY ANAL LESSON

Abby is getting ready for a butt fuckin'!

The finger in her ass says it all. She's ready to take a hard cock in her starfish. But she's going to need a lot more than just a finger to prime her pucker for a pounding. So Abby works herself up even more by sucking cock. "Yes, I love giving head, and it really turns me on, especially when it's a big one. I like knowing that I'm turning them on with my oral skills and I can control their reaction with my lips and tongue. It's almost like I can feel exactly what they want."

HEIGHT: 5'7" **WEIGHT:** 135 lbs.
BRA SIZE: 34B **BORN:** Aug. 10
LIVES: Tampa, Florida

Pussy fucking is a must before anal.

If Abby is to have a successful anal fucking, she has to get her pussy fucked first. As you can tell by how she creams all over his shaft, she is thoroughly enjoying her fucking. Now that she's cum from pussy fucking, her asshole is ready for action!

And here you have it, her anal photos!

We love the way Abby's meaty labia are draped around her pussy as that cock fills her ass. The expressions on her face shows her lust and pleasure. And what a perfect, little slut—she takes the load right in her asshole! "I like for guys to cum inside of me, and that includes when they fuck me in the ass. It feels great for me, and I'm sure it feels great for them."
